2669. SHRI N. GIRI PRASAD: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that the Central Council for Research in Homoeopathy bought antroposophical medicines in injectable form as Homoeopathic medicines from M/s Kent Homoeo Pharmacy, New Delhi worth Rs. 80,000,00 for its Institute at New Delhi and Headquarters Office also at New Delhi in the last week of March, 1990; if so, the details thereof; and

(b) whether the Kent Homoeo Pharmacy was closed soon after the drugs were supplied to the CCRH?

THE DEPUTY MINISTER IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI PABAN SINGH GHATOWAR): (a) and (btyThe information is being collected and shall be laid on the Table of the House.

Recruitment Rules for Senior and Junior Fellowships in ICMR

2670. SHRI N. GIRI PRASAD: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that there are approved recruitment rules for Senior and Junior fellowships in the Indian Council of Medical Research; and

(b) if so, the details thereof and the emoluments and fellowship duration for these posts?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA): (a) Yes Sir.

(b) These rules have been adopted from the terms & conditions framed by Department of Science & Technology. The rules provide for details of educational qualifications, mode of application, age limit, tenure, emoluments, other allowances, contingent grants etc.

The tenure of all fellowships do not exceed three years except in exceptional cases where Council may give an extension.

Emoluments for Junior Research Fellows/Senior Research Fellows are as under:—

(1)	Junior Research Fellow:	
	1st and 2nd Year—Rs.	3,000/- p.m.
	subsequent years—Rs.	3,200/- p.m.
(2)	Senior Research Fellow—Rs.	3,200/- p.m.

Study on Clinical Research by Central Council for Research in Homoeopathy

2671. SHRI GAYA SINGH: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that the Central Council for Research in Homoeopathy has been conducting clinical research in a number of diseases at many of its research centres for the last 15 years, if so, the details thereof;

(b) whether it is also a fact that no conclusive observations have so far been made even though thousands of cases of these clinical problems have been studied till-date; and

(c) if so, when these studies are expected to be concluded?

THE DEPUTY MINISTER IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI PABAN SINGH GHATOWAR): (a) Yes, Sir. CCRH have been conducting clinical research in different fields of the clinical conditions stated below:

1. Behavioural Disorders (since 1978-79)
2. Bronchial Asthma (since 1979)

3. Carvicitis and Carvical Erosion (since 1978)
4. Filaria (since 1979-80)
5. Osteoarthritis (Since 1979)
6. Tonsillitis (Since 1979)
7. Helminathuasus (since 1979)

(b) It is not a fact that no conclusive observations have so far been published for these clinical problems. The conclusive observation in a number of studies have already been published through the various CCRH quarterly bulletins and other scientific publications.

(c) Question does not arise.

Transfer of Scientists in Central Council for Research in Homoeopathy

2672. SHRI JALALUDIN ANSARI: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that various scientific posts in the Central Council for Research in Homoeopathy are generally created for specific Unit/Institute of the Council and these posts are supposed to continue to be with the Unit/Institute/ they were created for;

(b) whether it is also a fact that many incumbents have been transferred to the places of their choice on some other considerations, alongwith the posts on which they were appointed in the first place; if so, the details of such transfers in the last three years;

(c) whether such transfers have led to a situation that there are Units/Institutes which are served by more officers than were intended to and there are some understaffed Units/Institutes under the Council; if so, the reasons for such transfers; and

(d) whether this has in any way improved overall technical capability and achievements of the Council?

THE DEPUTY MINISTER IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI PABAN SINGH GHATOWAR): (a) It is not a fact that various scientific posts are created for specific Units/Institutes of the Council. At the time of appointment it is made clear that the incumbent is liable to be transferred wherever his services are required.

(b) to (d) The incumbents are transferred, keeping in 'mind the requirements of Unit/Institute.

Importance of Dieticians

2673. SHRI KRISHAN LAL SHARMA: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that dieticians play a major role in educating the masses about the importance of nutritious food in warding of their diseases;

(b) whether it is also a fact that in developed countries there is one dietician for seven patients whereas in India there is one for fourteen hundred patients;

(c) whether Government are considering any proposal to increase the number of dieticians in the country; and

(d) if so, to what extent?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA): (a) Yes, Sir.

(b) No such information is available.

(c) and (d) Health is a State subject. Concerned state Governments consider such proposals depending upon their priorities and resources available. Central Govt. hospitals have dieticians to advise the inpatients.

Kidney Transplantation

2674. SHRI KRISHAN LAL SHARMA: Will the PRIME MINISTER be pleased to state:

(a) whether Government are aware of the two way traffic of people going out of
